**Tule River Hydroelectric Complex**  
California State Highway 190 at North Fork  
Of Middle Fork of Tule River  
Springville vicinity  
Tulare County  
California

HAER No. CA-48

HAER  
CAL,  
S4-SPR1.V,  
1-

NOTE: Photographs were taken by Don Tateishi, photographer, March 26, 1985. John Snyder was field director

- CA-48-1      OBLIQUE VIEW OF POWERHOUSE OFFICE AND CORRUGATED METAL-CLAD MAINTENANCE BUILDING, LOOKING WEST [90mm lens]
- CA-48-2      VIEW ALONG HIGHWAY CENTERLINE TOWARD POWERHOUSE, MAINTENANCE BUILDING AT LEFT [90mm lens]
- CA-48-3      OBLIQUE VIEW OF POWERHOUSE OFFICE AND CORRUGATED METAL-CLAD VEHICLE GARAGE AND FUEL PUMP. MAINTENANCE BUILDING IS AT RIGHT CENTER. [90mm lens]
- CA-48-4      OVERVIEW OF POWERHOUSE COMPLEX AND BRIDGE IN SETTING OF TULE RIVER CANYON [90mm lens]

The following are photocopies of historical views:

- CA-48-5      "Twenty-two horses struggling with the 30,000 pound load on the mountain road. Eighteen animals are in front and four are on the push-pole behind." *San Joaquin Light and Power Magazine*, Vol. 1, No. 12, December 1913, p. 551.
- CA-48-6      "One of the big loads leaving Springville. Eighteen horses are marching along with 30,000 pounds on the wagon." *San Joaquin Light and Power Magazine*, Vol. I, No. 12, December 1913, p. 552.
- CA-48-7      "A shape hend in the road, showing how the horses are hitched in 'blocking.' The remainder of the team has been hitched to the block and tackle." *San Joaquin Light and Power Magazine*, Vol. I, No. 12, December 1913, p. 553.
- CA-48-8      "Tule River Power House in Operation."  
*San Joaquin Light and Power Magazine*, Vol. II, No. 3, March 1914, p. 118.
